Important Information About Your Enrolment

At the Central Coast Community College we aim to provide you with a smooth transition from enrolment, to your studies and your career beyond. Please make sure that you read the following information carefully and check with the Student Services Team or your teacher if you have any questions.

Unique Student Identifier (USI)

The USI gives you access to a national register which allows you to see all of your nationally accredited training records and results in one place, from all training providers that you have completed study with after 1 January 2015. You only need one USI for all of your study, and it stays with you for life, ensuring your training records are not lost.

If you do not have a USI, you will need to apply for one prior to enrolment at <https://www.usi.gov.au/your-usi/create-usi>

The personal details you provide to us at enrolment must match your USI personal details as we are required to record and verify your USI before we can issue your student documentation, including your qualification testamur or statements of attainment.

Credit Transfers must be applied for at enrolment, prior to course commencement.

Applications for Recognition of Prior Learning (RPL)

RPL is the process by which someone's existing skills, knowledge and experience are recognised towards the achievement of a unit of competency or qualification. These skills may have been obtained through; training programs, work experience, voluntary work, school work, life or sporting experience.

You may be eligible to apply for RPL on one or more Units of Competency in your program. Please contact your campus Student Services Team for more information about how to apply.

- Offensive gestures or displays that cause offence
- Ignoring, isolating or segregating a person or group
- Sexual or physical contact, such as grabbing, kissing or touching. Intrusive questions about sexual activity
- Condescending or patronising behaviour that undermines self-respect or adversely affects performance or working conditions

Harassment does not have to be an ongoing pattern of behaviour or number of incidents. Just one act can be enough to be considered harassment. Someone does not have to say “no” before any behaviour or action can be considered harassment.

It is also against the law for anyone to:

- Victimise anyone because they complained about bullying or harassment,
- Victimise anyone because they supported someone who complained about bullying or harassment.

If you feel that you are being bullied or harassed in class and you feel comfortable to, speak to your teacher as soon as you can. You can also discuss the problem with a Student Services Team member, your Course Coordinator or the RTO Manager.

Bullying or harassment may result in disciplinary action against the perpetrator.

- If you are identified by your trainer as being unwell (with flu like symptoms) you will be sent home immediately and will require a COVID test.
- All participants MUST use hand sanitiser which is located at the entrance to the facility before entering, before and after all tasks.
- Appropriate signage COVID reminders and processes have been placed around the campus.

Classroom & Workshop Precautions

- Class sizes have been reduced to adhere to government social distancing guidelines – please adhere to room capacity signage throughout your campus.
- At the commencement of each class, the Trainer will conduct a “Safety Moment” with the participants, based around your responsibility to practice personal hygiene and correct etiquette when sneezing and coughing, and maintain social distancing.
- Hand sanitiser is available in each classroom, you will be required to use this prior to entering the classroom at the commencement of the day and after each break.
- You are responsible for packing away your equipment and cleaning / sanitising your work area at the end of each session.
